EXECUTION

Of Three Leaders in Plot to Overthrow Carranza Government

HATCHED IN EL PASO, TEXAS

Carried Out By a Firing Squad This Morning

15 MEXICANS ARRESTED

Alleged That General Salazar Was to Lead Revolution, in Favor of Felix Diaz—Agents of Department of Justice at Washington Aided Police in Making Arrests.

(ASSOCIATED PRESS TELEGRAM)
El Paso, April 11.—The three leaders of the Diaz plot to seize Juarez and overthrow the Carranza government there last Sunday, were executed by the firing squad in Juarez early today. They were Nicholas Chavazaria, Jose Inez Bornei and Florencio Hernandez. The condemned men confessed the plot before they were executed. Other Mexicans were implicated.

(ASSOCIATED PRESS TELEGRAM)
El Paso, April 11.—A plot of wide dimensions, hatched in El Paso and backed by the people who are financing Felix Diaz in a movement against the de facto government of Mexico is believed by the police today to have been unearthed by the arrest last night of fifteen Mexicans accused of being implicated in the flight across the border of General Ynez Salazar. Agents of the department of justice aided the police in making the arrests, most important of which were General Carevo and General Ignacio Morelos Zargosa, were among the best known and most trusted of the adherents of the late Victoriano Huerta.

The prisoners were questioned for the better part of the night by the police and secret service officials. This story was pieced together from their admissions and the authorities believe they have discovered the essential details of the plot.

The backers of Diaz, it is said, became dissatisfied because his own military reputation was limited and he had no man with his movement in whose generalship the Mexican people had confidence. They were also anxious to reinforce the Diaz campaign in southern Mexico by a similar insurrection in the northern part of the republic. A soldier was selected. He was amply supplied with funds and proceeded to organize his followers from El Paso.

Emissaries were sent into Mexico to try out the sentiments of various Carranza garrisons and to stir up the people spreading reports that Carranza was in the pay of the United States, and that General Pershing's expeditionary force was really the advance guard of an army of occupation. There has been plenty of evidence that such reports have been circulated in Juarez and have caused a considerable impression on the people. Salazar's plans were not yet ripe when he learned that he was in danger of betrayal. He became alarmed and fled precipitately across the border on Sunday, accompanied by his most trusted adherents.

His exact plans at present, as well as his whereabouts, are unknown but the proclamation he left behind him, coupled with statements made by men who had known him well in El Paso, leave little doubt that his attitude toward the United States is one of determined and bitter hostility.

He is opposed to both Carranza and Villa and is expected to attempt to rally the Mexicans on a platform of uncompromising opposition to this country, with a demand for the withdrawal of the American troops under penalty of war with Mexico. An American who has been closer (Continued on Page 2, Col. 2.)

"Forward Newark" Movement Will be Crystallized Into a New Chamber of Commerce

Both the local and out of town speakers for the big "Forward Newark" dinner next Monday night at the Knights of Pythias Hall were decided upon yesterday afternoon at the meeting of the campaign committee of the Chamber of Commerce at headquarters in the Newark Trust building. The program promises to be the most interesting and inspiring ever held at a dinner in this city. Names of the speakers will be made public when their final acceptances are received. Tentative acceptances have been received from all of them.

A force of stenographers are busy today preparing the invitations to the Monday night function. The invitations will be mailed tonight.

It was announced following the meeting yesterday that the new organization will be of the bureau type. The bureau so far decided upon are: Mercantile, Civic, Industrial, Convention and Publicity, Agricultural, Traffic.

Other bureaus may be added if needed. Following the campaign for membership the members will be sent a blank so that they may designate the bureaus in which they desire to belong. The bureaus will then be organized, and each will work independently of the others along specified lines, but all under the direction of the board of directors. The board will be made up of an equal number of directors from each bureau so as to give balance and harmony to the organization.

The Mercantile bureau will succeed the Merchants Association, if the membership of that organization approves the action of the board of directors in the Chamber of Commerce movement.

The question of making Newark a greater factory city will be taken care of by the industrial bureau, and it is planned to have all the factories now in Newark and vicinity represented in this bureau.

The Agricultural bureau will be one of the features of the new organization, and several articles will be given this week to explaining its activities.

The Traffic bureau is one that can be of great service to manufacturers, jobbers, and shippers of all kinds, and is a part of most of the leading commercial organizations of the country. These bureaus work in harmony with the railroads, and are almost essential in important manufacturing and distributing centers. This bureau will not be organized until after the others, but should be in operation within six months.

The Convention and Publicity bureau will look after the advertising of Newark, and the entertainment of conventions and visitors. The securing of conventions has become a matter of business with many cities, and a convention bureau is now considered essential to those cities that desire to profit from convention business.

The Civic bureau will represent the Chamber of Commerce in all civic matters. Such bureaus have become important adjuncts of commercial organizations and statistics show that over 50 per cent of the activities of the leading organizations are along civic lines.

The campaign committee is made up of the following citizens: C. H. Spencer, John F. Carroll, George Hermann, William Macey, A. A. Stassel, F. L. Beggs, D. C. Metz and Homer Price.

MORE VESSELS REPORTED SUNK BY SUBMARINES

(ASSOCIATED PRESS TELEGRAM)
London, April 11, 1:20 p. m.—Lloyd's reports the British steamship Elliston is missing and presumably has been sunk. All hands have been picked up. The Elliston was unarmed.

The Dutch steamship Rijindijk, which struck a mine off the Scilly Islands last week, has been beached. Her cargo is damaged by water. The Elliston which was of 3796 tons gross and 346 feet long, was built in 1906 and owned in Glasgow. The last report of her movements was her departure on February 11 from Philadelphia for Queenstown.

REPORT TORPEDOING OF ITALIAN VESSEL

(ASSOCIATED PRESS TELEGRAM)
London, April 11, 4:10 p. m.—The Italian steamship Unione is reported by Lloyds to have been torpedoed.

The crew of the British steamship Eastern City, the sinking of which was announced yesterday, has been landed. The Eastern City was sunk by a submarine. There are three Italian steamships in the largest, 2,397 tons, was engaged in trade between Italy and South America.

CANTON MAY BE THE CAPITOL OF CHINESE REBELS.

Shanghai, China, April 11.—The city of Canton and the surrounding districts are peaceful and the naval forces are favorable to the southern revolutionists. Lung Chi-Kuang, governor of the province of Kwang-Tung, on account of his lack of popularity with the powers now in control in the name of the revolution, may be sent westward into the province of Kwang-Si, unless he takes refuge at Hong Kong.

Revolutionary leaders from Yunnan and other southern provinces are on their way to Canton, which will probably be made the temporary capital of the revolutionary government.

\$3,319 DUE COUNTY.

Columbus, April 11.—Findings aggregating \$3,319 are due Jefferson county, according to a report of State Examiners G. Ackerman and Robert Dundermuth, made public today. The report covers the period between July 6, 1914 to February 11, 1915.

Part of U. S. Troops in Texas May Be Sent Into Mexico to Protect Communication Lines

(ASSOCIATED PRESS TELEGRAM)
Washington, April 11.—Part of the American troops now stationed in Texas, may be sent to Mexico to strengthen the constantly lengthening lines of communication of the United States expeditionary forces in pursuit of Villa. Such a plan was under consideration by the war department today as a result of the situation along the border, which is said to be quieter than heretofore. For the present, however, patrols in New Mexico and Arizona will not be distributed.

Senator Gallinger, Republican leader in the senate, has received from Senator Fall, who is on the border, a report of conditions which contains the statement that the senator was informed on April fourth that unless the American army secured control of the Mexican Northwestern railroad within a week the western railroads would be withdrawn. Today is the day fixed for withdrawal by the senator's informant and officials point out that Secretary Lansing has announced that the railroad question is no longer a factor in the situation.

Secretary Baker was in Columbus, O., today to appear in the state supreme court in connection with a civil case. He will visit Cleveland and return here tomorrow. Major General Scott, chief of staff, is acting secretary of war in the absence of Mr. Baker.

GERMANS REPORT 36,000 FRENCH WERE CAPTURED

(ASSOCIATED PRESS TELEGRAM)
Berlin, April 11.—(By wireless to Sayville.)—Since February 21 the Germans have captured more than 36,000 French in the fighting about Verdun, the Overseas News Agency announced today.

"West of the Meuse about twenty-five square kilometers of ground has been occupied," the announcement says.

"The German newspaper point out that the French now say Bethincourt was evacuated in accordance with plans previously made. Nevertheless it has been ascertained that an order was issued stating:

"This important place must be held in all circumstances."

"The fact that more than 700 wounded French prisoners were taken and that the French losses in killed or wounded were far greater is proof that the French plan of evacuation could not be carried out as intended."

Fighting on both sides of the river Meuse (Verdun) was in progress with great vigor throughout the whole of yesterday, the statement says. The number of unwounded prisoners taken in this sector was increased from 22 officers and 549 men to 36 officers and 1231 men.

STRIKERS FIGHT WITH POLICEMEN; TWO ARE INJURED

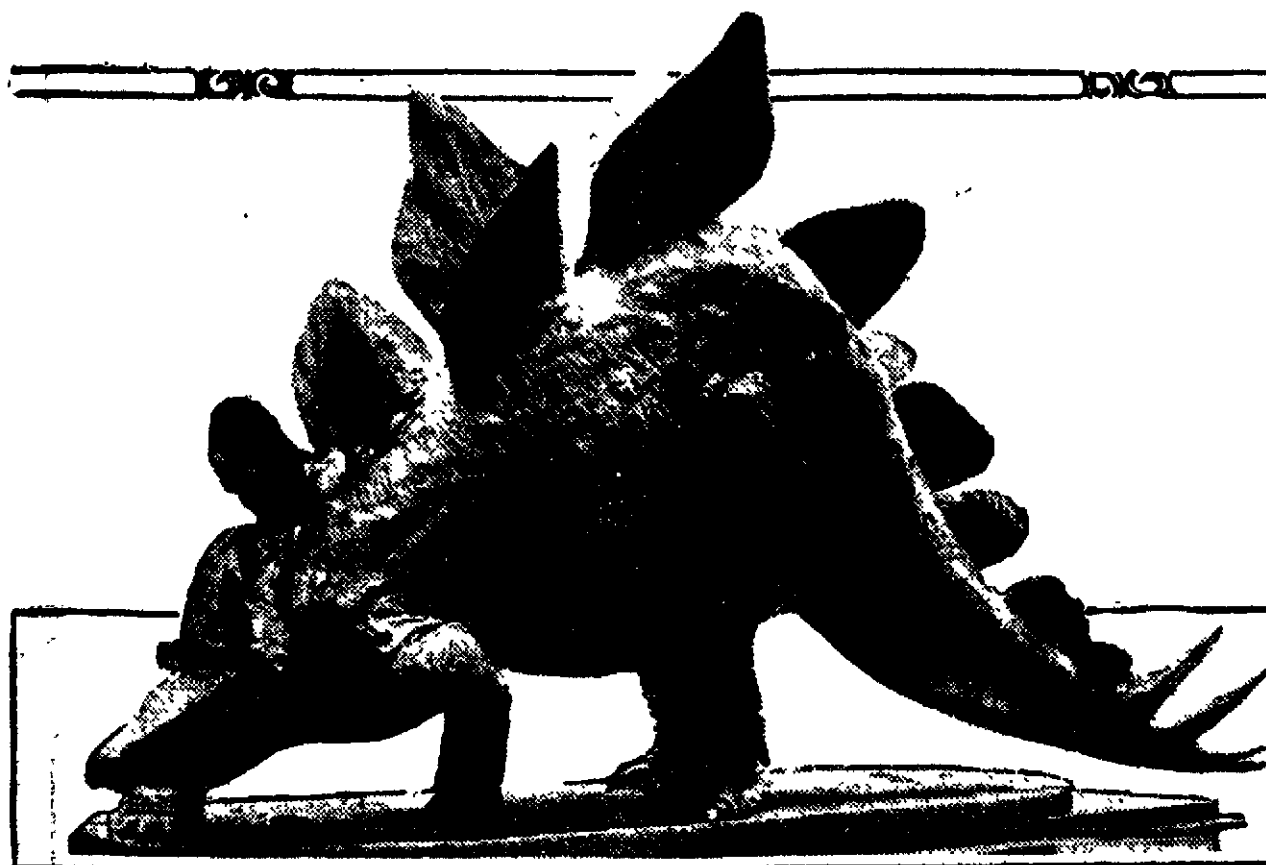

(ASSOCIATED PRESS TELEGRAM)
Cleveland, April 11.—Two policemen were beaten and injured here this morning by a mob of 300 strikers and strike sympathizers at the Corriegan, McKinney & Company's steel plant. Police reserves were called to disperse the mob and rescue the beaten officers. Two of the crowd were arrested. The attack on the policemen was made when they tried to clear a path through the mob to the factory entrance. Stones and bricks were hurled and the policemen were felled by the missiles and their clubbed. The strikers left their work yesterday because of dissatisfaction over working conditions. They have made no demands on the officials of the plant, the latter say, and labor leaders admit the strikers are not organized.

TOLEDO PASTOR FILES SUIT TO RETAIN PULPIT

(ASSOCIATED PRESS TELEGRAM)
Toledo, April 11.—Rev. A. S. Bowersox, pastor of the Western Avenue M. E. church obtained a temporary injunction in common pleas court this morning to restrain the church trustees from removing him. Mr. Bowersox was tried March 1 by a church committee and found not guilty of charges of indiscretions preferred against him. This finding later was reversed. The proceedings were secret. The pulpist since has been supplied by other pastors but Mr. Bowersox, it is alleged, has refused to vacate the parsonage. The church trustees have instituted ouster proceedings against him in the court of a justice of the peace.

CHILD KILLED BY CAR.
(ASSOCIATED PRESS TELEGRAM)
Steuensville, O., April 11.—Anna Feltes, seven years old, ran in front of an interurban car near her home here today and was instantly killed. The child was on her way to school when struck.

ANCIENT DINOSAUR IS A "HORRIBLE EXAMPLE" OF PREPAREDNESS

Restored dinosaur in Smithsonian Institution, Washington.

Here's the original dinosaur, "all armor plate, no brains," which has been copied by the anti-preparedness committee for use in a campaign to stop the proposed army and navy increase bills. It is eleven feet high and more than twenty feet long, while the committee's copy is somewhat smaller. The copy is being drawn on a motor truck through the streets of New York, Buffalo, Cleveland, Detroit, Chicago, Minneapolis, Des Moines, Kansas City, St. Louis, Cincinnati and Pittsburgh.

Villa's Death Reported to Embassy; Some Credence Given on Account of Bandit's Injuries and Suffering

PARTIES SEARCHING FOR VILLA'S BODY.

(ASSOCIATED PRESS TELEGRAM)
Queretaro, Mex., April 11.—The war department announced today it had reason to believe Francisco Villa had been killed in action, and that searching parties had been sent out to find his body.

(ASSOCIATED PRESS TELEGRAM)
Washington, April 11.—Unofficial and unconfirmed reports that Villa is dead reached the Carranza embassy today and were given some degree of credence by officials there.

The reports were represented as having come from Queretaro, General Carranza's provisional capital.

The reports concerning Villa's death were unsubstantiated by the latest dispatches to the war and state departments. The circumstantial reports of Villa's recent injury, however, and the rigors of his

long hurried flight, gave some color to the possibility that the bandit chieftain may have been unable to survive the hardships of the flight in his disabled condition.

Official estimates of the number of troops in Mexico and on the border available for an emergency were given at the war department today. General Scott, chief of staff, announced that 18,565 troops now constitute the border patrol.

General Pershing has about 12,000 men in Mexico, including those holding his line of communication. General Scott, estimated that only 4,000 troops remain in the United States, not engaged on the border.

General Scott stated today that no word of the chase of Villa had been received for several days either from General Pershing or General Funston. Difficulty of communication, as well as censorship extending to the war department itself, General Scott declared, had left the department in ignorance of recent operations.

All state department dispatches were said to report conditions quiet throughout Mexico. The department was without information regarding

the reported activities of General Salazar.

BLOOD POISONING SAID TO BE CAUSE OF DEATH OF VILLA.

(ASSOCIATED PRESS TELEGRAM)
Columbus, N. M., April 11.—Lieutenants H. A. Dargue and E. S. Correll of the aero corps, returning here today from a flight to San Antonio, Chihuahua, 330 miles south of the border, said that reports were current among the natives in the vicinity of Santa Ana that Villa was dead of blood poisoning, caused by his wounds.

Military authorities recognize that the report of the bandit chieftain's death may be another ruse to throw the Americans off what has been termed a "hot trail," but no tendency is manifested to belittle the report, the aviators said.

"There seems no doubt that Villa was wounded," said Lieutenant Dargue, "conversations with natives and with physicians having convinced me that he was shot through both legs, one of them being broken by a bullet, while another shot lodged in his stomach. A man in that condition, without medical attention, could scarcely live long."

WANT A RECEIVER FOR GLASS PLANT AT SANDUSKY, O.

(ASSOCIATED PRESS TELEGRAM)
Sandusky, O., April 11.—Application for a receiver for the Enterprise Glass Co. of Sandusky, was filed in common pleas court here yesterday afternoon by William L. Allendorf, trustee for the holders of bonds. A suit to foreclose a mortgage on the company's property in West Sandusky, given to secure a \$50,000 loan, \$44,000 of which is still unpaid and said to be past due, was first filed. The company was organized by Bowling Green, Toledo and Sandusky capitalists.

SPANISH STRAMER SUNK BY TORPEDO 4 WERE DROWNED.

(ASSOCIATED PRESS TELEGRAM)
London, April 11, 8:55 a. m.—A Reuter dispatch from Madrid said that four of the crew of the Spanish steamer Santanderino, which is reported to have been sunk by a torpedo, were drowned and that the remainder have been landed at Saint-Jean de Luz.

A dispatch from Biarritz yesterday said that Danish steamship had landed 36 survivors from the Santanderino, several of them women at the small French promontory of Adco, near Saint-Jean de Luz, and said that four of the passengers, all Spaniards, had been drowned.

The Santanderino was a vessel of 2,954 tons and had been trading between Liverpool and the United States.

POLITICS

MUST NOT BE CONSIDERED IN THE SELECTION OF AMERICAN DIPLOMATS

If America is to Assume Place in Fame of Nations, Naval League is Told.

(ASSOCIATED PRESS TELEGRAM)
Washington, April 11.—The United States never will assume its place in the fame of nations until politics ceases to play an important part in the selection of American diplomats and in the army and navy, declared Henry White, former ambassador to France, in an address at today's session of the convention of the Navy League of the United States. He was speaking on "The baneful influences of politics upon our foreign relations."

"If there is one conviction more deeply rooted in my mind than any other," said Mr. White, "it is that the respect in which a nation is held by others is in exact ratio to the fleets and armies which are believed to be looming in the distance and prepared to back up if necessary its diplomatic representations."

"The diplomatic service is the outer bulwark of a country's national security and defense. The leading nations of the world have long since arrived at the conclusion that outer bulwark of theirs is most efficiently maintained by employing as their chief diplomatic representatives men who have been trained as such from their youth."

World doctrines of the first class and has only a third class navy to defend them, was the assertion of J. Bernard Walker of New York.

SUICIDE OR ACCIDENT?

PASSENGERS SEE BRITISH CRUISER OFF CAPE HENRY

(ASSOCIATED PRESS TELEGRAM)
New York, April 11.—The presence of a British cruiser off Cape Henry was told of by passengers on the United Fruit Company's steamship Metapan, which arrived here today from Colon and Havana. The warship of the Essex class was observed yesterday in pursuit of a tramp steamer. The cruiser fired one shot whereupon the freighter, which had been flying no flag, ran up the Union Jack and the warship abandoned the chase, the Metapan's passengers said.

Crown Prince's Supreme Effort To Gain Reward of Sacrifices, Thought to be Spending Itself

(ASSOCIATED PRESS TELEGRAM)
Paris, April 11.—The Crown Prince's supreme effort for the capture of Verdun, as the military observers characterize the operations which began on Sunday to the west of the Meuse, is spending itself against the stout defense of the French.

The observers point out that when the assailant realizes that he has failed to attain his objective he invariably delivers an extended assault with great violence before lapsing into normal trench warfare. Such was the great German attack during the battle of Ypres on November 10, five days before the battle ended, and the first French battle in Champagne on March 18, 1915, also closed with a violent assault.

In these operations the assailants hope to surprise the defender by an unexpected effort and to win from him by taking him unaware the reward of their own sacrifice. The battle continues, but with a perceptible diminution of its violence. The French commander's plan is to engage the least possible number of men, so as to retain the maximum number of formations for the ultimate operations which are to be entered upon at a moment which will be considered opportune and which will be decided upon by him when he considers that the Germans have wasted all the men they are willing to sacrifice.

Since the beginning of the battle the Germans have employed 10 divisions, it is asserted, and it is possible for them long to see their efforts on the present tactical radical change is looked forward to.

Defenders of Verdun Have Held Firmly Except at One Point—Paris Reports That the Main Onslaught Has Diminished—No Important Military Operations Reported Elsewhere

The German assault on the defenses of Verdun is still centered on the important key position of Dead Man's Hill west of the Meuse. Advancing from Corbeaux wood the Germans last night succeeded in gaining a few elements of French trenches. Otherwise the French war office announces, they were beaten back with heavy losses. In the sector between Douaumont and Vaux which has relatively the same strategic importance east of the Meuse the Germans also renewed the attack. There the French report says, they gained no success.

Paris regards the present attack of the Germans as their supreme effort in this greatest of battles. French commentators say it may mark the close of the Verdun campaign whatever the outcome. The general offensive launched on Sunday over a thirteen mile front is reported as one of the heaviest blows struck by the Germans in the war. According to official French advice the defenders of Verdun have held firm except at one point in the region of Dead Man's Hill, where the Germans gained 500 yards of French trenches. It is now reported from Paris that the main onslaught has diminished in extent, being limited to a front of about two miles between Cumieres and Hill No. 244 west of the Meuse. Berlin views the Verdun operations confidently, pointing to the ground gained in a different region and the losses inflicted on the French. The statement is made by the Overseas News Agency of Berlin that since the beginning of the battle more than 36,000 French have been captured. It also said about 25 square kilometers of ground has been occupied west of the Meuse.

With the exception of the Verdun sector no military operations of particular significance are reported from any of the battle fronts. The change of seasons is interfering with movements on the Russian, Italian and Mesopotamian fronts, although on each of these lines there are signs of increasing activity, which is expected to become more pronounced as the spring advances. All the passengers and crew of the Spanish steamer Santanderino apparently were rescued with the exception of four persons who are believed to have been drowned. The owners of the vessel have been notified she was sunk by a submarine after fifteen minutes which had been allowed for the departure of those on board.

FRENCH REPORT GERMAN REFUSE.

Paris, April 11, 2:12 p. m.—On the west bank of the Meuse the Germans made an attack last night on Dead Man's Hill, advancing from Corbeaux woods. They obtained a footing in a few small elements of trenches, the war office announced this afternoon but otherwise were repulsed.

East of the Meuse the Germans attacked trenches south of Douaumont village but were beaten back with considerable losses. There was violent bombardment of Douaumont and Vaux.

Did you catch the full significance of the captions above? Perhaps they sound overdrawn and a little hard to believe, but truer facts were never stated. We have been planning this event for weeks—consolidating eminent manufacturers—securing their co-operation and taking them into our confidence. The resulting eminent manufacturers—securing their co-operation and taking—we have sacrificed a goodly portion of our profits, as these garments cost us 20 to 30 per cent more than is usually paid for \$5.00 values. We determined to do something entirely away from the usual—something that would link the name of Davies with the finest \$15 suit ever sold in Newark—and we have succeeded. We want to say to you, as clearly and concisely as possible, that there isn't a \$15.00 suit in this big, new assortment. Every garment we are featuring at this price comes under the \$20.00, \$22.50 and \$25.00 class. A little comparison on your part will substantiate this statement.

The sale begins tomorrow morning. You know the old saying, "A word to the wise, etc." Well, take our advice and be here as early as possible.

He understands without long explanations. His fact is unfailing. So far, so good, but Mr. Baker has a still better title to the public regard; he trusts the army officers for information to guide him in the discharge of his duties. (Tablets)

This tablet is a combination of eight herbs all working together to cleanse the system and assist the various organs to perform their functions in Nature's own way. This method removes the cause. If your stomach is out of order—Laziness, indigestion, constipation, biliousness, headaches etc., or your kidneys not working properly, failing to eliminate the urine acid and impurities from the system, causing rheumatism, impure blood and a bad complexion, try this wonderful natural remedy. One dose of RA-MO-NA HERBS will convince anyone of their superiority. Trial size 25c. Two months' treatment 50c. RA-MO-NA HERBS are for sale by T. J. Evans Cut Rate Drug Store or sent postpaid by Ramona Herb Co. Dayton, Ohio.

Start Tomorrow and Keep It Up Every Morning

Get in the habit of drinking a glass of hot water before breakfast.

We're not here long, so let's make our stay agreeable. Let us live well, eat well, digest well, work well, sleep well, and look well. What a glorious condition to attain, and yet, how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, sallow skins, blood disorders and sickly complexions are urged to take a quarter pound of limestone phosphate from the drug store. This will cost very little, but is sufficient to make anyone a pronounced crank on the subject of inside-bathing before breakfast.

SENTENCE

OF STARK COUNTY WOMAN FOR PERFORMING ILLEGAL OPERATION WILL STAND.

Supreme Court Refused to Interfere—Decision Affecting Surplus in Sheep and Dog Fund.

[ASSOCIATED PRESS TELEGRAM]

Columbus, April 11.—The supreme court today refused to interfere in the execution of the penitentiary sentence against Carrie Vourren, convicted in Stark county for performing an illegal operation. She was sentenced in 1914 to an indeterminate sentence of one to seven years.

In deciding a Green county case the supreme court held that any surplus in the sheep and dog fund must be given to the county humane society if this organization needs it and otherwise to the county board of education. This case will apply to a number of counties.

A Cleveland neighborhood quarrel over the construction of a four-family apartment house in a district where no lot was to hold more than one residence building, was settled by the court. It held that the apartment house under such circumstances was a residence. Morris Arnoff erected the building on Clifton boulevard, and L. Williams and other neighbors sued unsuccessfully to prevent him.

The Sylvania Telephone company of Lucas county lost the fight for review of its suit to prevent the Berkey Farmers' Mutual Telephone company from invading Richfield township, Lucas county, without permission of the state public utilities commission. Lower courts decisions were against the Sylvania company. The supreme court in a previous case brought in Morrow county established the rule that mutual companies operating not for profit, are not subject to the utilities commission's jurisdiction.

By refusing to review a Muskingum county case the court affirmed by inference, the lower court's order that the Swingle Contracting company must lose \$1400 for failing to complete a bridge across the Muskingum river at Dresden within the contract time.

By affirming the Lucas county court of appeals the supreme court held that Albert Bauman of Toledo must pay \$10,000 to Alexander Kiskadden, bankrupt trustee of the Fostoria Undermunsin Co. This sum represents the difference in value between the \$30,000 stock received by Bauman when he started the company with C. C. Anderson as partner, and the \$20,000 worth of property turned over by Bauman.

WORTH KNOWING

Women are liable to ailments which cause constant ill-health and which they may consult doctors without much relief. It is well worth knowing that they can get at the nearest drugstore a simple medicine, made of roots and herbs, which is just what they need to recover health. That medicine is Lydia E. Pinkham's Vegetable Compound.

HANOVER

Miss Marie Rector was at Newark last Friday.

TRAVELING MAN'S MESSAGE TO THE AILING FOLKS

W. R. BROWNING TELLS WHAT NERV-WORTH DID FOR HIS STOMACH ILLS.

Every victim of dyspepsia or indigestion and every friend of such victim should read the following statement. It is from a man known and highly esteemed all over Southern Ohio, W. R. Browning, on the road for many years, now District Plant Line Agent at Zanesville:

"Before taking Nerv-Worth I had nervous prostration and was decidedly 'knocked out.' I went to South Dakota and spent two years there. Came back somewhat improved but had a lot of trouble with my digestion. My doctor said there was a nervous trouble affecting my digestion. A reading of the Nerv-Worth ads impressed me with the belief that this remedy really was a nerve builder, and I got the idea that I could get at the root of my stomach trouble by getting at the root of the nerve trouble by the use of Nerv-Worth.

"I took three bottles of Nerv-Worth in all and when I had taken a half bottle my digestion was decidedly improved. After taking the rest of the three bottles my digestion was as good as it ever was in its prime. It has been a year since I took those three bottles of Nerv-Worth and my digestion is perfect, which shows that a cure was worked instead of mere relief. For instance, before using Nerv-Worth I didn't dare eat a raw apple or a banana. Either would wreck my digestion for a month. Now I can eat either without the least sign of distress. And that is not all. I can now eat sausage or cabbage, an impossible thing before Nerv-Worth cured me.

"I have recommended Nerv-Worth to scores of people and bought it for others who were suffering from ill or a nervous character and a very large percentage of these have told me of the great benefits they had derived from the remedy. Nerv-Worth is well worth trying by any one suffering from nervous trouble."

Newark's Nerv-Worth distributor is Druggist T. J. Evans. His personal guarantee is back of the company's.

INQUIRY

INTO REPORTED POLITICAL ACTIVITY OF SECRETARY OF INDUSTRIAL COMMISSION.

Prosecutor Duncan of Franklin County Attends Civil Service Commissioner's hearing.

[ASSOCIATED PRESS TELEGRAM]

Columbus, April 11.—Prosecutor Robert P. Duncan of Franklin county today attended the civil service commission's inquiry into the report that George L. Stoughton, secretary of the state industrial commission, wrote letters to civil service employees asking names of political workers. The civil service commission sought testimony from two witnesses on Mr. Stoughton's action and will decide later whether it believes his conduct a violation of the civil service law.

Charles E. Morris, director of the Democratic press bureau and Miss Inez Morrow, confidential stenographer to Mr. Stoughton, were the only witnesses summoned. Mr. Stoughton, although invited by the commission to attend, was not present. D. Webb, Democratic member of the civil service commission presided and the questioning of witnesses was conducted by W. H. Middleton, Republican, and Charles Follett, Democrat, special counsel in the attorney general's department.

Testimony at the inquiry tended to show that Stoughton wrote to at least three employees of the department urging them to quit work early in the week, go to their homes and organize Willis clubs.

The hearing was completed, it was announced. The commission will delay its report pending determination of whether this action by Mr. Stoughton constitutes a violation of the civil service law.

Miss Morrow testified that at the secretary's dictation she had written letters to L. J. Harper of Eaton, Robert Pennell of Cleveland and E. S. Starberry of Cincinnati, provisional payroll auditors and Republicans, suggesting political activity. She could not remember what letters had been written to others, she said. Carbon copies were not made because Mr. Stoughton said these were "not necessary," according to Miss Morrow.

Mr. Morris declined to tell where he got a copy of the letters.

ESTABLISHED IN 1820

Entered as Second Class Matter March 10, 1882, at the postoffice at Newark, Ohio, under Act of March 4, 1879.

The fact that the Mexicans report Villa to be in a certain place should be a pretty sure proof that he isn't there.

It is surprising how the young people long for water sports as soon as they read about the canoeing accidents.

Policy of the householder in cleaning up the backyard: Never do today what you can put off until tomorrow.

Who says the popular magazines are worthless, when the Ladies' Aid Society will gladly take and sell them for old paper, which is going up every day?

Some unreasonable people will expect the Congressmen to stay in that stuffy old capitol and work on the Preparedness bills after the baseball season opens.

The same people who complain because all food products are scarce and high are often the same ones who ridicule the farmer and discourage young men from going back on the land.

After complaining bitterly of the school authorities for making their children study at home an hour a day, many parents will let the same children go to dances and lose three hours sleep.

After complaining because young men don't enlist and risk their lives among the treacherous Mexicans, some men will fail to get out to the presidential primaries because the air will be bad at the polling room.

School Athletics.

Many colleges and schools have read with envy the past week the financial report of sports at Harvard university. With total receipts of over \$160,000, and from football alone of \$120,449, great possibilities of useful athletic work are offered.

In the ordinary small college and technical and high school, it is not easy always to support even one team to represent the school. If the boys are winners, the money comes easy. But it takes a game and loyal backing to support losers, though they may work harder than their conquerors. Unsuccessful athletes find cold looks and silent and thin assemblages of spectators. It takes a lot of money to run athletics. There is no end of costly supplies, railroad fares, hotel bills. Of late years the expense for coaches has become necessary and very large. They may cost more than a corresponding number of professors.

There should be a place on some team for every student anxious to enter sport. Still more, the boys not thus ambitious need athletics even more. It would do a world of good to some bookworms and loafers to be required to play on some minor team.

It becomes therefore in many schools a big problem how to provide enough gymnasium and track facilities, tennis courts, ball fields, supplies, etc., so that the general student body can become athletic. More

publican except Roosevelt is sure to be defeated, because Roosevelt is sure to be defeated because Roosevelt will run independently and split the anti-Wilson vote. Therefore it will be Roosevelt, and from Wall street's point of view Roosevelt is infinitely preferable to Wilson.

Eight years ago Roosevelt issued the mandate, "If you don't take Taft, you'll get me." Wall street at that time was looking upon the Hughes candidacy with a friendly eye. Hughes was regarded as a "safe" man, and Taft was under suspicion of radicalism. Nevertheless, in obedience to Roosevelt's ukase, Wall street took Taft.

This year Roosevelt is saying in effect, "If you don't take me, you'll get Wilson," and so Wall street will take Roosevelt. There will be no end of gagging in the Old Guard before his candidacy is swallowed, but it will finally be choked down. After all the eloquence and oratory has subsided the convention will do what Wall street wants it to do. Roosevelt will not get the nomination without a fight, and he will have to make innumerable private deals with Republican bosses and priests of privilege, but no deal that he is not capable of making. Harshness is on its way to a glorious resurrection.

Aside from all practical considerations of expediency, Roosevelt's candidacy must commend itself to Big Business and High Finance for reasons all of its own. He alone can drape the American flag around Wall street in a raid to recapture the National Government. He alone can pin the Stars and Stripes on every dirty dollar that is intriguing to return to power in Washington. At a time like this the importance of such qualifications is beyond estimate.

Daddy's Bedtime Story

What Finally Happened to the Little Girl, Karen.

[Adapted from Hans Christian Andersen.]

THIS is the fairy story daddy told Jack and Evelyn after supper:

"There was once a little girl who loved her shoes so well that she wore red ones to church and thought about nothing else all the time she was there. Then an old soldier with a red beard who stood outside the church door touched her shoes, and from that time on they danced and danced till she had no rest. After dancing night and day for a long time she came to live with a parson's wife. Here she did her work very well and was so kind to the children that they all loved her. But when Sunday came they all went off to church and left her home alone. As she sat in her bare little room, reading out of her prayer book, she suddenly heard the notes of an organ. She raised her head to listen and saw her room full of sunshine, which lay on the white robes of an angel, who held a beautiful green branch covered with roses in his hand."

"Oh, daddy, what did the angel do?" cried Jack.

"The angel touched the ceiling of the little girl's room with the branch, and it rose to a great height. Wherever the roses touched stars came. Then the angel touched the walls, and they spread out till her room became just like the church, and she could see and hear the organ. She saw all the old folks and little children who had come to church, and she heard them singing. Then it seemed just as if she were in the church, too, and when the song came to an end the people all looked up and saw her and said, 'It is a good thing that you came to church, too, little Karen.'"

"They remembered her, didn't they?" Evelyn understood.

"Then Karen was glad that she had been able to leave her little, bare, lonely room and join all the other children who were singing nice hymns. The organ sounded beautifully through the little church, and the children's voices echoed sweetly through the choir. The warm sunshine streamed in brightly through the open window of the church. It fell right on the bench where Karen sat, so that she felt very happy and glad. Her heart was so full of sunshine and joy and peace that it broke, and her soul flew out of the window and mingled with the sunshine which went to heaven, and no one there in the church ever remembered to ask about her little red shoes," daddy finished.

"Is that a true fairy story, daddy?" asked Evelyn.

"It's as true as any fairy story ever written," cried daddy. "And now give me two hugs and skip off to bed like good children."

"Good night, daddy!" Jack called back from the top of the stairs.

GET RID OF HUMORS

Hood's Sarsaparilla is the Medicine to Take—Makes Pure Blood.

Dry, moist scaly tetter, pimples, boils, and other eruption come from humors, which may be either inherited, or acquired through defective digestion and assimilation.

To treat these eruptions with drying medicines is dangerous. Hood's Sarsaparilla, the old reliable medicine, helps the system to discharge the humors, and improves the digestion and assimilation.

Get Hood's Sarsaparilla from your druggist. It may be confidently relied upon to do its work. It purifies the blood, tones the stomach, and builds up the whole system. It goes to the roots of diseases, and its beneficial results are permanent. It sets things to rights in the system. Remember to ask for Hood's Sarsaparilla, because nothing else acts like it and nothing else can take its place.

WILD RUMORS OF ALARMISTS, COLUMBUS, N. M.

CITIZENS REQUESTED ARMS TO DEFEND THEMSELVES BUT WERE REFUSED.

Military Authorities Now Give Assurances That There Are No Grounds for Fear.

(ASSOCIATED PRESS TELEGRAM)

Columbus, N. M., April 11.—Columbus, ridden with alarmist rumors, was relieved today when the night passed without a sign of the trouble which many of its citizens feared. T. A. Hulsey, deputy sheriff, feeling that every precaution should be taken to protect the town against the possibility of a repetition of the raid a month ago, has requested that militia men be sent here to assist the regular troops in policing the border.

The tension which has been manifest in the last twenty-four hours abated today, but some of the citizens, despite assurances of military authorities that there are no grounds for fears and the troops here are amply prepared to care for any emergency, still seem slightly uneasy.

A number of citizens made requests at military headquarters for arms. These, however, were denied on the ground that they were unnecessary. Major Sample conferred with the mayor and informed him that should trouble develop the residents of the town could protect themselves better by staying within doors.

"There are absolutely no grounds for the fears which seem to have abated today, but some of the citizens of Columbus," it was stated at the military headquarters. "Investigation of the rumors current on the streets has proven them without foundation. Of course we are taking every precaution, but that only is to be expected in such a time. Our troops are amply able and amply prepared to cope with even the remotest possibility."

Publications of reports that American soldiers in the Mexican field have asked for consignments of candy have brought responses from young women in almost every section of the United States. Every mail and almost every express train arriving in Columbus bring parcels of candy addressed to the "soldiers at the front."

These are turned over to Captain C. C. Smith, adjutant of the base, for shipment to the field. As a result of the letters which usually accompany the packages, Captain Smith asserted today, numbers of the soldiers are spending much of what leisure time they have, in writing to young women they have never seen.

Sixty pounds of candy was received recently from a club of young women in Philadelphia, this being the largest single package.

The parcel was carried to Colonel Dodd's forces in Guerrero by aeroplane, the army medical officers recognizing the value of the candy as food, while other packages have been sent forward by motor truck train.

Theatres

"Sons of Satan."

Alhambra, Wednesday and Thursday. The World Film Corporation struck an unexpected snag when it came time to photograph the dazzling Kitty Gordon's glittering, gorgeous back in the photodrama, especially written for her screen debut, and which is based upon E. Phillips' famous novel and play, "As in a Looking Glass." The first scene the director elected to take was one at a supposed "drawing-room" at a Washington embassy. Naturally there was quite an acreage of the Gordon back on view in this scene where evening gowns were essential.

ASTHMA SUFFERERS

Makes Breathing Easy.

In New England where Bronchitis, Asthma and other diseases of the throat and lungs are so prevalent some wonderfully speedy recoveries have recently been effected by the use of a treatment known as Oxidaze, first introduced by Dr. Eugene Howard, a prominent Worcester physician.

Oxidaze, which is a powerful, but highly concentrated combination of curative agents, comes compressed in a small tablet which the patient dissolves in the mouth. One of these simple and pleasant tasting tablets put in the mouth just before going to bed clears out all the choked up air passages, soothes the irritated bronchial tubes and enables the asthmatic sufferer to breathe easily and naturally while lying down and to get a comfortable night's sleep. Oxidaze tablets are harmless, contain no dangerous habit-forming drugs and are not at all expensive. W. A. Erman, T. J. Evans Drug Co., and many other druggists sell them and agree to refund money to any purchaser who does not obtain successful results from their use. This certainly makes their test an easy matter to all who suffer from Asthma or Bronchitis.

Miss Gordon's gown began late and ended early. Alhambra, Wednesday and Thursday.

Mazda Thursday.

Our readers who keep in touch with the movies and who read the photoplay magazines have read much of the famous "Blue Bird" photoplays, the very latest in the moving picture world. The Mazda which has booked this popular service announces the first of these popular pictures for Thursday and Friday, the offering being the celebrated actress, Helen Ware in "Secret Love." The Mazda has made many changes on the interior and those who witness the inaugural of the Blue Bird service in Newark will be very agreeably surprised at the improvements made by the new management and which place the Mazda in the lead as one of the most attractive and classy moving picture theatres in our city.

A great military drama comes to the Mazda tomorrow, entitled: "Old Glory in Mexico." There is action every minute in this fine picture.

How Famous Actresses Banish Superfluous Hair

Betty Lorraine, the popular actress who won fame in "The Little Parisienne" and other comedies writes: "Theatrical women are now using a remarkable prescription that acts like magic in erasing all trace of unsightly hair growths. It is Mrs. Osgood's Wonder. Unlike the electric needle, it can be used with perfect safety. Unlike evil-smelling depilatories, it doesn't burn the skin. I used it first over a year ago and have not had a trace of superfluous hair since."

Mrs. Osgood's Wonder is quite inexpensive and is sold by J. J. Evans and other up-to-date drug stores. Signed Money-Back Guarantee in every package.

Here is the copy of an old document said to have been issued by the school board at Lancaster, O., in 1828—long before the days of wireless, telephones, telegraph, automobiles and airplanes, electric power and light and steam roads.

"You are welcome to use the school house to debate proper questions in, but such things as railroads and telegraphs are impossibilities and rank infidelities. There is nothing in the word of God about them. If God had designed that his intelligent creatures should travel at the frightful speed of 15 miles an hour by steam, he would have clearly foretold through his holy prophets. It is a device of Satan to lead immortal souls down to hell."

COL. W. C. WELLS AT PARK AGAIN THIS SUMMER

Col. W. C. Wells of this city will again be connected with Buckeye Lake Park this season, the new managers, Messrs. Deffenbaugh and Fisher having secured his services to look after all excursionists who visit that popular resort. He will also look after all local excursion business.

The genial "Billy" Wells is one of the park's biggest assets. He is accommodating at all times and knows every nook and crook around the lake and can direct the fishermen to the exact spots where the members of the finny tribe lay in wait to be landed. He is also familiar with all cottages, etc., and knows where to direct anyone for the proper information.

W. C. WELLS

Col. Wells is a hustler for business and he is also an excellent director for the various entertainments which are demanded by excursionists. He will be a valuable aid to the new managers and his numerous friends will be glad to find

Every Family Needs This Splendid Remedy

Compound of Simple Laxative Herbs Recommended for Constipation.

When a remedy has stood the test of critical analysis and strong competition for over a quarter of a century and establishes itself as the indispensable household remedy in thousands of homes, it is pretty good evidence of its efficacy.

Dr. Caldwell's Syrup Pepsin has been on the market since 1889, its use being gradually extended until now it is generally regarded by druggists as the staple family laxative. It is a combination of simple laxative herbs, free from opiates or narcotic drugs, gentle in its action and positive in effect. It costs only fifty cents a bottle and can be purchased in drug stores everywhere.

Mr. Frank Kilma, of 2309 Ashland, Ave., Baltimore, Md., wrote Dr. Caldwell recently that he had tried about everything without being helped until he got a bottle of Dr. Caldwell's Syrup Pepsin, which he considers the greatest known remedy for indigestion, constipation and stomach troubles.

Get a bottle of Dr. Caldwell's Syrup Pepsin from your druggist and keep it in the house. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill.

DOG TEAM TO START IN BIG ANNUAL RACE

GREATEST SPORTING EVENT OF FAIR NORTH INTERESTS ALL ALASKA.

Contest as Horetore, Idea Between Siberian Wolf Dogs and Alaskan Bred Mutants.

(ASSOCIATED PRESS TELEGRAM) Nome, Alaska, April 11.—The great sporting event of the far north, the annual all-Alaska sweepstakes dog race, focused attention today on Nome, the starting point of the 412 mile contest over the snow trails to Candle and return. Two thousand dollars was the purse, obtained at the sweepstakes sale of last Saturday night.

The entrants are the winner of last year's race, Seppala, with 17 dogs, Bobby Brown, with 12, Ray Helene, with 10, and Paul Seppala, with 15.

The trail is in only fair condition, the weather for the last few days having been too warm to insure a fast race. "There is no limit to the number of dogs a driver may place in his team, but the rules of the Nome Kennel Club require that every dog taken out must be of the Siberian breed, either riding on the sled or working in the harness. It is to prevent drivers from obtaining disabled dogs on the trail or leaving them at the reporting stations, which which the racers pass.

At least two of the most famous drivers, John Johnson, holder of the record of 74 hours, 14 minutes, 20 seconds, and A. A. (Scotty) Allan, best owner of the All-Alaska team, who won in 1911 and 1912, are not entered. Two sweepstakes winners are among the entries. They are the Hovv-Pelt, driven by Ray Helene, who won in 1911 and 1912, are not entered. Two sweepstakes winners are among the entries. They are the Hovv-Pelt, driven by Ray Helene, who won in 1911 and 1912, are not entered.

Leonard Seppala, who drove a Siberian sled dog team to victory last year in 14 hours, 5 minutes, and 40 seconds, is also entered.

In previous years, the race has developed into a contest between the Siberian sled dogs and the Alaskan bred dogs. Both breeds have ardent supporters, but the champions of the "wolf" dogs stress upon the fact that the Siberian breed is faster and more reliable.

Experts consider the Siberian breed the greatest racing dogs in the world. They are a cross between a wolf and a dog, and the Siberian breed is faster and more reliable.

24 WRESTLERS IN TOURNAMENT IN COLUMBUS

Twenty-four amateur wrestlers will take part Wednesday night in a wrestling carnival at Columbus under the auspices of the Y. M. C. A. twelve matches having been arranged for the evening's entertainment. The matches start at 8 o'clock. The weights will be 125, 135, 145, 158 pounds and "heavies." Special invitations are extended to the ladies. The promoters declare that the tournament promises to be a revival of the best wrestling contests in Columbus. Paul Fowler of Newark, expects to attend the tournament and will endeavor to arrange with the Y. M. C. A. team of Columbus to meet a number of Newark wrestlers here in the next, and last match of the season. Fowler has not yet selected the principal for this match to oppose himself.

A. A. UMPIRES TO MEET IN TOLEDO FOR INSTRUCTIONS.

(ASSOCIATED PRESS TELEGRAM) Toledo, April 11.—American Association umpires are to receive final instructions for the 1916 season at a meeting to be held here next Sunday, according to word from President "Dixie" Egan last night. He has notified the arbitrators to report in Toledo on that date.

The umpires will be entertained at a banquet at the close of the session and will remain over for the civic celebration welcoming back the association on the following night.

RAILROAD NEWS.

Traffic League Resolutions.

The National Industrial Traffic League, which just closed its convention in Baltimore, Md., adopted the following resolutions:

"Whereas, certain grave differences are impending between the railroads of the United States and their train service employees which, if not adjusted, threaten to result in an interruption of railroad transportation; and

"Whereas, a railroad strike, even temporarily interfering with transportation throughout the country, would be a national calamity, entailing a loss upon the public far greater than the losses to the parties to the controversy; and

"Whereas, arbitrary action on the part of either side without the disputed questions being submitted to a careful and impartial investigation would be inimical to the public welfare; therefore

"Be It Resolved, that it is the sense of the National Industrial Traffic League that the parties to the controversy should settle their differences without recourse to measures that would impair the public service and, in the event an agreement is not reached through direct negotiations, both parties to the controversy should, in the interest of the public, submit their differences to a board of arbitration."

B. & O. Prepares Statement.

The Baltimore and Ohio railroad company had prepared a statement showing for October, 1915, the monthly pay of the highest five employees in each of the divisions of the system.

Five locomotive engineers in passenger service on the Newark division earned from \$215.30 to \$178.50; freight engineers from \$196.75 to \$173.90; yard engineers from \$180.90 to \$122.70; passenger conductors from \$177.10 to \$163.95; freight conductors from \$172.90 to \$160.55, and yard conductors from \$132.40 to \$117.50; this being monthly pay.

Advance Car Here.

Sparks Circus advance publicity car No. 2 arrived in Newark today via the Baltimore & Ohio railroad and was parked at the siding in the north side of the depot. The car's crew was busy all day posting bills for the circus which appears in Newark, April 25. George Risher, the well known cornet player of this city, is a member of the Sparks' circus, having joined the company at Salisbury, N. C., two weeks ago. Risher was signed for the season as assistant cornet soloist.

Garden of Allah Via B. & O.

A fair sized crowd of Newarkites was at the Baltimore & Ohio depot at noon today, when the Garden of Allah special train arrived in town for tonight's show. The crowd was on hand to see the animals carried by the company. Tomorrow the B. & O. will handle the company from Newark to Zanesville. The special train consists of five cars.

SERVICES AT FIRST M. E.

The Lenten service at the First M. E. church last night was fairly well attended, and full of interest. Rev. Otto Geisen spoke upon the subject of "By Their Fruits ye Shall Know Them." He uses the crayon with great skill in illustrating his subject and the congregation greatly enjoyed his first effort. Mrs. Best sang two beautiful solos and Mr. F. P. Winn led the congregation in inspiring songs. Services tonight at 7:30 o'clock.

KENTUCKY HORSE BREEDERS DEFER ACTION UNTIL MAY

(ASSOCIATED PRESS TELEGRAM) Lexington, Ky., April 11.—Action as to whether the Kentucky Trotting Horse Breeders' Association should withdraw from the National Trotting Association was deferred at a meeting here late yesterday until another meeting in May. John C. Woot of Canton, O., president of the National Trotting Association, opened before the meeting and stated that he thought the differences which caused the resignations of W. M. Russell, Allen of Pittsburgh, Pa., and N. E. Smith of Poughkeepsie, N. Y., Robert C. Ruhl of Lexington, Ky., and J. O. Winston of Kingston, N. Y., as members of the board of appeals could be adjusted at the next meeting of the national association in New York May 2.

An effort was made by some members at yesterday's meeting to hold the next meeting here Oct. 24, under the auspices of the American Trotting Association but action was deferred until after the next meeting of the National Association.

THE AMERICAN TOBACCO COMPANY

A Great Commonwealth Enriched by Our Service

Ride over the state of Ohio. See its fertile grain fields and meadows; its orchard crowned hills. Observe the thrifty, happy looking homes on every side. Go into the cities. Listen to the factories humming with industry, and busy with the production of new wealth. Study the enlightened, happy men and women you will see in town and country, and then reflect upon the meaning of all that you have seen. You will be forced to conclude that here, indeed, is a great and prosperous commonwealth.

There is not a corner of this great state that does not draw its tribute of dividends from Geiger-Jones securities. There is not a county that is not richer today because of prosperous industries that have been financed by The Geiger-Jones Company.

The function of The Geiger-Jones Company has been to facilitate the production of wealth in Ohio by gathering capital in small sums from outlying places and putting it at the disposal of growing industries. The industries we have financed now employ between fourteen and sixteen thousand people and pay out between \$14,000,000 and \$15,000,000 each year in wages. More than 10,000 other people are interested in them as preferred stockholders, and not one of these has ever suffered the loss of a dollar on his investment. Thus, directly and indirectly, this company has been a powerful factor during the past twelve years in adding to the wealth and prosperity of this great commonwealth.

More than 10,000 satisfied investors know by personal experience that these are the true facts about The Geiger-Jones Company—but in order to facilitate the investigations of others, we have prepared "A Portfolio of Anniversary Reports With Photographs from Manufacturing Enterprises Financed by The Geiger-Jones Company." This is an interesting 32 page publication that tells about great enterprises that are doing much day after day to enhance the prosperity of investors, manufacturers, merchants, bankers, wage-earners and farmers throughout the state. We will gladly mail a copy without expense or obligation if you will send in a post card bearing your name and address.

ART WORKS

IN COLLECTION OF J. P. MORGAN'S TAPESTRIES BRING TWO MILLION DOLLARS.

Noted Set Once Owned by King of Spain and Other Notable Ones Included.

(ASSOCIATED PRESS TELEGRAM) New York, April 11.—Art experts declare that the sale of forty tapestries composing the J. P. Morgan collection for approximately \$2,000,000 announced today, is the largest single transaction ever made in such works of art. The tapestries are now on exhibition in the Metropolitan museum of art, where they were placed by the late J. P. Morgan, Sr., along with other collections of paintings, furniture, sculptures and porcelains of a total estimated value of from \$50,000,000 to \$75,000,000.

The firm of art dealers to whom the tapestries were sold stated that the collection was not bought for any American or European collector. They were collected during the last fifteen years of the elder Mr. Morgan's life on the advice of well known experts.

The most notable tapestry in the collection is the Mazarin, once owned by the famous French cardinal. This is considered one of the world's greatest tapestries. It dates from about the year 1500 and its subject is "the triumph of Christ and the new dispensation." Another notable example is the Doffus "crucifixion" woven about 1525 from a design created by the Flemish artist, Bernard Vanorley.

Twenty-one tapestries comprising the Knole collection are included in the sale. Of these one of the most notable is the St. Veronica. The noted set of tapestries once owned by the King of Spain acquired by Mr. Morgan, it is said, for \$250,000 and representing episodes in the Don Quixote story are included in the Morgan collection.

Milady's Boudoir

The Well Kept Head.

Anyone can tell at a glance the well kept head and the neglected one. The former has a smoothness and a glossy shine to each hair, not occasioned by any oil in the scalp, but to the treatment it is accorded. The latter has an untidy, frowsy appearance, which means lack of brushing. It is dead and lifeless, no color, no gloss. Such a head is enough to destroy the effect of even a pretty face.

Too much soap and water is not very good for the hair, so it is not wise to wash it oftener than once in about eighteen days. However, if it becomes unpleasantly oily in the meantime, it may be given a dry shampoo or orris root. This is done by rubbing the orris powder into the scalp until all the oil is absorbed from hair and roots. Then the loose powder should be shaken and brushed out. Many women prefer to have their hair dry shampooed once a week and to have it washed only once a month.

For very dry scalps a good tonic should be rubbed in at night. Olive oil is excellent as is coconut oil. Both these will nourish the roots and give the necessary lubrication to the scalp. When oils or vaseline are used, however, a dry shampoo will be necessary once a week, as no matter how carefully it is applied a little oil is sure to stick to the hair.

Fresh air is very necessary to the welfare of the hair as well as of the body. For the girl who works the wisest way is to air the hair before the open window ten minutes every night. On Sundays, if possible, the hair should be aired and sunned.

How to Destroy Catarrh Germs and End Catarrh Forever

Catarrh is a germ disease and the only way to cure it so it will stay cured and never come back is to kill and drive out of your system the catarrhal germs which have found lodgement there. When the germs go the catarrh will stop. The trouble with most treatments, like sprays, salves, creams, greasy balms, lotions, etc., is that they give only temporary relief by opening up for a while the clogged head, throat and nostrils. In a little time the Catarrh comes back as bad as ever.

People who suffer continually from catarrh should drop such temporary makeshifts and get something that really gets at the root of the disease and stamps it out. There is nothing better for such cases than breathing into your nose and lungs the pleasant, soothing, healing, germ destroying air of Hyomel (pronounced High-o-mel) made of purest oil of Eucalyptus and combined with other powerful healing, antiseptic and germ destroying ingredients. Hyomel penetrates and heals the inflamed, swollen membranes of your nose and throat, stops discharges, clears the passages and completely overcomes the disease by destroying the cause. For catarrh germs cannot live in your body after Hyomel reaches them. T. J. Evans and many other good druggists in Newark and vicinity have long sold Hyomel on a positive guarantee of successful results or money back and find this generous policy pays. Most druggists are now giving a pocket inhaler made from hard rubber with every complete treatment sold. This makes a very simple, easy and convenient as well as a thoroughly reliable means of treating by the best known method this dangerous and often disgusting disease.

Use Coconut Oil For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle and is very harmful. Just plain multifid coconut oil (which is pure and entirely greaseless), is much better than the most expensive soap or anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get multifid coconut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.

WOMEN

ARE PERMITTED TO VOTE IN ILLINOIS SECOND PRESIDENTIAL PRIMARY

Election Today for Delegates-at-Large and From Districts to National Convention

(ASSOCIATED PRESS TELEGRAM) Chicago, April 11.—Illinois voters today participated in the second presidential primary election held in the state election of delegates at large and district delegates to the national convention and the selection of state central committeemen are the questions at issue.

In Chicago ward and precinct committeemen also are to be chosen. Women throughout the state can vote today only on the presidential preference ballot and as there is but one candidate on each ticket—President Wilson and Senator Lawrence Sherman, on the democratic and republican tickets respectively the women voters have shown but little interest in the campaign.

The fight in Chicago during the campaign centered principally around the choice of ward committeemen. The fight in the republican ranks is between the adherents of Mayor William Hale Thompson and anti-administration forces.

The struggle with republican party as to the choice of William Hale Thompson or Roy O. West, present national committeemen, to head the republican delegates at the convention, has created a heated struggle.

The republican delegates-at-large ballot on which eight are to be chosen, carries the names of nine men. Eight of them have pledged themselves to Senator Sherman and one, John Maynard Harlan, Chicago, has made his campaign in favor of Colonel Theodore Roosevelt.

OKLAHOMA DEMOCRATS IN CONVENTION TODAY (ASSOCIATED PRESS TELEGRAM) Oklahoma City, Okla., April 11.—The democratic state convention met here today to name delegates to the national convention and to elect a national committeeman. Thomas Wade of Marlow and Benjamin Lafayette of Choctaw are the leading candidates for committeemen.

Our Boys and Girls

As a midday meal for your kiddies a good soup is made from peas or beans and strained, or of beef stock thickened with barley, rice, oatmeal or farina, with which croissants may be served or toast or good bread over a day old. Give them the choice of any of the following vegetables: Fried potato, stewed onions, celery, carrots, or tip of cauliflower or parsnips.

Any of the latter may be made attractive by serving a white sauce. Spinach cooked in a small amount of water, drained well and chopped fine is also nice. It contains more iron than any other vegetable or cereal, and is very nourishing. For a dessert after the above articles, only a touch of sweet is necessary. Give them plain molasses cooked, or a block of sugar, or one small piece of the best grade of sweetened chocolate.

Tonight sure! Take Cascarets and enjoy the nicest, gentlest liver and bowel cleansing you ever experienced. Wake up with your head clear, stomach sweet, breath right and feeling fine. Get rid of sick headache, biliousness, constipation, furred tongue, sour stomach, bad colds. Clear your skin, brighten your eyes, quicken your step and feel like doing a full day's work. Cascarets are better than salts, pills or calomel because they don't shock the liver or gripe the bowels or cause inconvenience all the next day.

Mothers should give cross, sick, bilious, feverish children a whole Cascaret anytime as they can not injure the thirty feet of tender bowels.

Allies Will Accept Peace Only Upon Terms of 1914, Asquith's Reply to Hollweg

London, April 11.—On the occasion of a Government reception to visiting French Senators and Deputies at Lancaster House last night Premier Asquith took the opportunity to reply to the speech recently delivered in the Reichstag by the Imperial German Chancellor, Dr. Von Bethmann-Hollweg. Those present included Earl Kitchener, the Marquis of Landsdowne, Sir Edward Grey, J. Austin Chamberlain, Sir Walter Runciman, Lewis Harcourt, Viscount Bryce, A. J. Balfour and Lord Robert Cecil.

The Premier, in proposing the toast, "Our Guests," referred to Von Bethmann-Hollweg's claim to readiness on the part of Germany to negotiate peace, and said:

"The German Chancellor wants us to assume the attitude of a defeated to a victorious adversary. But we are not defeated; we are not going to be defeated."

Reiterating that the Entente Allies were prepared only for peace on the terms of his declaration of November, 1914, Mr. Asquith proceeded:

"The Chancellor first misquotes my language, then proceeds to distort its obvious meaning and intention. Great Britain and France entered the war not to strangle Germany or wipe her off the map of Europe; not to destroy or mutilate her national life; certainly not to interfere with the use of the Chancellor's language, the free exercise of her peaceful endeavors."

"As a result of the war, we intend to establish the principle that international problems must be handled by free negotiations on equal terms between free people, and that this settlement shall no longer be hampered or swayed by the overmastering dictation of a government controlled by a military caste. That is what I mean by the destruction of the military domination of Prussia—nothing more, but nothing less."

Referring to the fate of Serbia and Montenegro, following a similar fate suffered by Belgium, the Premier said:

"We are in this struggle the champions, not only of treaty rights, but of the independent status and free development of weaker countries. In circumstances, cynicism could hardly go further than in the Chancellor's claim that is for Germany of all powers—that is for Germany comes upon giving various nationalities a chance of free evolution along the lines of their mother tongue and national individuality. Apparently this principle is to be applied. I suppose, on approved Prussian lines both to Poland and Belgium."

Contending that the Poles have had an illuminating experience of the German ideas of a free evolution of this kind, Mr. Asquith continued:

"The attempt to Germanize Poland has been for the last 20 years at once the strenuous purpose and colossal failure of Prussian domestic policy. Nobody knows this better than the Chancellor, for he has been one of its principal instruments."

The wholesale strikes of Polish children against the attempts to force the employment of the German language; the barbarous floggings inflicted upon them; the arrest and imprisonment of their mothers; continued the Premier, "form a black chapter in the annals of Prussian culture. It is with this record that the Chancellor shed tears over the fate of what he calls the long suppressed Flemish race. I wonder what the Flemish itself thinks of the prospect the Chancellor opens out to it."

"The Chancellor says that after the war there must be a new Belgium, which must not be a Franco-English vassal, but between those poles and the Germans, who burned their churches and pillaged their towns, trampled their liberties, there is to be a future, the collaboration of neighbors."

"My answer is a very simple one. The allies desire and are determined to see once again the old Belgium. She must not be allowed to suffer permanently from the wanton, wicked invasion of her freedom, and that which has been broken must be repaired and restored."

Declaring he would not waste words upon the Imperial Chancellor's "lame and half-hearted attempt to justify the wholesale use of the submarine for the destruction of lives and property," the Premier said:

"The allies are prepared to justify the legality of all the measures they have taken as covered by the principles and spirit of international law, applied to the developments of modern war."

"These have been carried out with

the strictest regard to humanity, and we are not aware of a single instance of a neutral life having been lost by reason of the allies' blockade."

Remarking that the German blockade of Great Britain had developed long before the British order in Council of March, 1915, as shown by the sinking of the Dutch steamer Maria and the American sailing vessel W. P. Frye, and Germany's declaration of a submarine blockade of the United Kingdom February 4, 1915, Mr. Asquith declared:

"It was not until March 11 that we announced these measures against German trade, which the Chancellor now suggests were the cause of the German submarine policy. I need not dwell upon the flagrant violation which has attended its execution of the elementary rules and practices of international law and of the common duties and obligations of humanity. Up to this moment it is being ruthlessly carried out as well against neutrals as belligerents."

TWO OLD STAMPS BRING \$1,730 AT A SALE IN NEW YORK.

(Associated Press Telegram)
New York, April 11.—The sale for \$1,730 of two postage stamps issued by the postmaster of Brattleboro, Vermont, in 1846 one year before the United States government made its first postal issue, was announced here today. The stamps are very rare and their value was enhanced by the fact that both were cancelled and on the original envelopes. Less than twenty genuine cancelled copies of Brattleboro stamps are known. The two sold today were on envelopes sent to a lawyer in this city and were discovered in his office after his death.

HINTS FOR PROGRESSIVE FARMERS

Tobacco stems dried, powdered and mixed with slacked lime or used alone, make an excellent lice powder for poultry. The stems can be boiled, when the juice forms a good spraying liquid for killing mites on the roost. For head lice on chicks, apply the juice to the head with a small camel's hair brush. Tincture of larkspur makes short work of the large head lice, but must be used carefully and in small quantities.

Milk, whether it is sweet or sour, is an important food for young chicks. Milk has the property, when fed early enough, of increasing vitality and indirectly of strengthening resistance to disease.

For producing the most favorable moisture conditions for corn, put the

soil in good tilth by plowing under manure or soiling crops and plow it when not too wet. If in the spring, disk the soil thoroughly before plowing. Produce a good seed bed by tilling at different times before planting, then cultivate often and thorough enough to kill the weeds.

Where cloth curtains are used in the poultry house windows for ventilation they get filled with dust after one or two years' use and should be replaced by new cloth.

Ground alfalfa does not make a good litter to put on brooder floors for young chicks. They eat so much of it as to cause trouble. Use cut dry straw or clean sand. One poultryman was losing seven or eight chicks a day, but when sand was substituted for alfalfa meal the deaths dropped to one or two.

Our raspberry plants are set in hills six feet apart each way, says D. B. Palmer in Farm and Home. Set three plants to the hill and set a stake six feet long in each hill, with the canes tied twice to this. We grow the Perfection which will reach a height of six to eight feet. We cultivate thoroughly during the picking season. Cut out the old canes as soon as they are done bearing. In the spring, after the second or third year the canes are topped back to about six feet. We set three plants to a hill in order to get a good crop the second year. The extra plants cost little more, and gives a bigger return. From a planting of 4,000 hills we obtained over 8,000 pints of berries the second year.

Newark labor men will observe the annual memorial Sunday of labor unions in this country on May 28, when a special program in memory of the departed labor union members will be carried out. According to present plans, John Voll of Zanesville will deliver the memorial address. Definite arrangements for the place of meeting have not been made.

DR. C. H. STULL'S SERMON ON PEACE WAS INTERESTING

The services at the Fifth Street Baptist church Sunday were well attended, the special sermon came in the evening when the pastor, Dr. Stull preached on the theme, "Peace and National Warfare." It drew forth considerable comment and the chief points emphasized by the speaker are here indicated, though no attempt is made to quote the exact language. His text was taken from Col. 3:15, "Let the peace of Christ rule in your hearts, to the which also ye were called in one body; and be ye thankful." Christianity puts men under the supreme rule of peace. The announcement among the angels was, "Peace on the earth and good will to men." Jesus was not a prince of war, a prince of the blood, but the Prince of Peace. As such it is His highest name; after He is called Wonderful, then "The Mighty God," and "The Evangelistic Father." He is the Prince of Peace. War is built upon force, but Jesus founded His Kingdom upon love and never used force. War is built upon the question of rights, but Jesus built His Kingdom on duty. He surrendered His rights, and pointed all men rather to duty as the approved method of righteousness. War in any form is not conducive to friendship, nor does it foster the growth of piety. It is brutalizing and runs counter to the law which says, "The strong ought to bear the infirmities of the weak." Where force is supreme the chief graces of Christianity fade out to nothingness. The God of Christianity is not a "Man of War", resorting to the use of a sword, that picture is found in old Judaism, but it has no place in the religious philosophy of Jesus Christ. Christ established peace between God and man, and man and man; not antagonisms and divisions. All national antagonisms are opened to the fruit of our religion; because the fruit of the Spirit is love, joy, peace. So also with church divisions and denominational stripes; all rancor and violence together with all forms of abuse and denunciation, no matter by whom offered, are contrary to the prayer which Jesus gave in His saying, "After this manner, therefore, pray ye: Our Father, and 'Thy Kingdom Come.'" This great panic which has swept across the American life in the last few months, resulting in a demand for a great army and a greater navy, will be looked back upon in the not distant future as one of the most shameful things America has ever been guilty of doing. Think a minute, over the condition the European nations are in this moment. Thousands of women and children starving. Thrones are tottering. The hearts of all those nations are breaking under the belief that each is fighting for its very existence. Was there ever a time in the history of mankind when sympathy and helpfulness were more needed, sympathy on a national scale, than now? These nations are already turning to us for succor. They are looking to America as the one great people who shall befriend them when the present sorrow and anguish have spent themselves. Their eyes are turned toward the land of the stars and stripes, and they will ask for bread, not cannon balls and powder. A horse is a vain thing for safety, and so also is war. There is no security in the sword, for they "that use the

Fat put on by indoor life is unhealthy and if nature is not assisted in throwing it off by increasing the oxygen-carrying power of the blood, a serious case of obesity may result. When you feel that you are getting too stout, take the matter in hand at once. Don't wait until your figure has become a joke and your health ruined through carrying around a burden of unsightly and unhealthy fat.

Spend as much time as you possibly can in the open air; breathe deeply, and get from W. A. Erman, Evans Drug Store or any druggist a box of oil of korein capsules; take one after each meal and one before retiring at night.

Weigh yourself every few days and keep up the treatment until you are down to normal. Oil of korein is absolutely harmless, is pleasant to take, helps the digestion and even a few days' treatment has been reported to show a noticeable reduction in weight.

sword shall perish by the sword." The neighbor whose only safety lies in his use of his gun, has no safety at all. America dealing justly and loving mercy among all nations will be as safe and secure as national life can be on this globe; but her greater peril lies within herself. The present tendency to money loving, to get money, no matter how, the trend toward ease and pleasure, are the present perils confronting us. And these sow the seeds of war.

SECRETARY BAKER IN COLUMBUS ON PRIVATE BUSINESS

(ASSOCIATED PRESS TELEGRAM)
Columbus, April 11.—Secretary of War Newton D. Baker, spent the day in Columbus on private business before the supreme court. He will return to Cleveland tonight and to Washington tomorrow.

While here, Secretary Baker declined to discuss the war situation and did not visit Columbus barracks, inasmuch as he was not here in his official capacity. He said he was looking forward to his visit with his family in Cleveland, tonight.

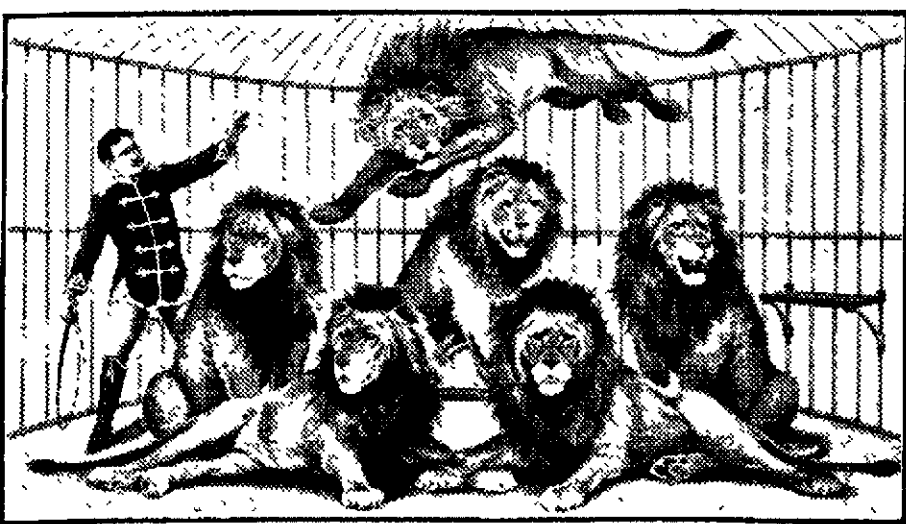

He called on Gov. Willis and chatted about personal affairs. He said: "A number of Democratic leaders conferred with him with regard to his acting as chairman of the state convention in June. It is said to be doubtful that he will accept."

Secretary Baker argued before the supreme court as counsel for the city of Cleveland in the suit of W. J. Gawne, a contractor, who is seeking on rehearing to secure nearly \$400,000 which he claims as the balance due from the city on the construction of the East Side water works tunnel in Cleveland.

On the first hearing the court decided against Gawne. Assisting Mr. Baker was his law partner Joseph Hostetter. T. H. Hogsett and Homer McKeehan were counsel for Gawne.

**INCREASED PRICE
TABLE GLASSWARE.**
(ASSOCIATED PRESS TELEGRAM)
Pittsburgh, April 11.—The principal glass tableware manufacturers today announced new prices, some factories advancing certain lines ten and fifteen per cent. The almost prohibitive cost of potash and steady advance of all other materials entering into the manufacture of glassware was given as the cause of the increase.

Biggest Performing Lions In America to Be Seen In Newark Circus Day April 25th

There are some wonderful lions with the Sparks World's Famous Shows that will exhibit here Tuesday, April 25 at the Eleventh and Jefferson street grounds. They are not only of amazing size and beauty but they have been trained to do some of the most thrilling acts ever presented to an audience. Herr Fritz Brunner, the world's greatest lion tamer, was born and raised in the jungles of equatorial Africa, and from childhood was accustomed to hear the roars of the man-eating kings of the forests that prowled about his cabin at night. His father once captured some lion cubs which he trained to aid him in his hunting expeditions. Thus reared the boy naturally became a lion tamer and hunter. Selecting some cubs of the largest species known, he reared them and educated them to perform

feats that would illustrate the amazing strength and agility of these beasts.

During the performance of the Sparks Shows a group of these monster animals will be turned loose in the great steel enclosure in full view of the audience. Herr Brunner will enter this enclosure, unarmed, and put these lions through some astonishing performances. It is the most thrilling act of the kind ever seen and will never be forgotten by the beholder.

Like every other act and feature presented with The Sparks Shows it is far away from and superior to anything of the kind ever seen before. There are numerous other trained animal acts in which tigers, leopards, hyenas, tremendous elephants, etc., will obey the commands of their fearless masters.

Obituary

Arthur Kimpton.

Arthur Kimpton died at his home in Alexandria, Saturday, April 18th, aged 65 years, after an illness of nearly five months of heart disease. He leaves a widow, five children to mourn their loss, Andrew Kimpton of Oberlin, Mrs. Cora Jones of Columbus, Mrs. Mary Kimpton of Ashtabula county, Mrs. Lulu Benner of Johnstown, Mrs. Lizzie Carlock of Alexandria.

Funeral services were held Tuesday afternoon at the M. E. church, Rv. D. Evans conducting services. Interment in Maple Grove cemetery, Alexandria.

Walla Ford's Funeral.

The funeral of Walla Ford, only son of the late R. T. Ford, will be held in Granville Wednesday morning at 9:30, Maple Grove cemetery.

Alfred ("Hal") Jewett.

No further news has been received of the death of Alfred ("Hal") Jewett at Los Angeles, Cal. Mr. Jewett died suddenly in that city Saturday. This was the message in a brief telegram to Mr. C. E. Van Buren of West Church street.

Alfred Jewett was about 72 years of age and was born in this county. He was engaged with his father in the wholesale grocery business in this city and represented the firm on the road. He left Newark about twenty-three years ago. Mr. Jewett was an uncle of Mrs. Clifford Kerr of East Newark.

"Hal" Jewett, when he left Newark, engaged in partnership with his half-brother, D. Clinton Jewett at Slouss Falls, South Dakota, while his two other half-brothers, Harvey and Rollin Jewett were partners in a similar business, that of wholesale grocers, at Aberdeen, in the same state.

Alfred Jewett retired from business about seven or eight years ago. D. Clinton Jewett and wife are ex-

pected in Newark tomorrow morning, where they had intended to visit friends before returning to their home, after spending the winter in Deland, Florida.

Mrs. Jerry Price.

[Special To The Advocate]

Hebron, April 11.—Mrs. Jerry Price, 74, pioneer resident of Hebron died early this morning at her home in Hebron, following an illness of several weeks. Death was due to organic heart trouble. Funeral services will be held from the Hebron Church of Christ Thursday afternoon at 1:30 o'clock, Rev. Madden officiating. Interment will be made in Licking cemetery.

The deceased was born near Hebron, February 14, 1834 and spent the greater part of her life near the place of her birth. Her husband preceded her in death a number of years ago. She was a member of the Hebron Church of Christ for many years.

She leaves to mourn her death in addition to a large circle of friends in Hebron and Licking county, one sister, Mrs. John Price and two brothers, John Richards and David Richards, all of Hebron.

James McCrum.

Death came early this morning to James McCrum, retired shoe maker and former police officer, at his home, 12 North Sixth street. He has been ill for the past six months, suffering from kidney and bladder trouble and though he was quite ill during the last few weeks, he was aware of his approaching end and made complete arrangements for his funeral. His death came at 2 o'clock this morning.

Mr. McCrum was a native of this state. He was born September 19, 1846 and was therefore in his 70th year. He was the son of William McCrum and Elizabeth Paines. His parents came to Newark about 75 years ago and he was born in this city. He was the youngest of 14 children, two sisters now being the only survivors of that very large family. They are Mrs. Jennie Smith who is making her home with

Mrs. Joseph Spettel of West Church street and Mrs. Emma Jones, of Granville street.

He was a member of Roland Lodge No. 305, Knights of Pythias, Olive Branch, I. O. O. F. and Mt. Olive Encampment, I. O. O. F., Lemert Post G. A. R. and Co. B, Old Guard.

He served for several years as a member of the Newark police force and for a time was turnkey at the city prison.

Funeral services will be held at 1:30 o'clock Thursday afternoon at his home, Dr. L. C. Sparks officiating. It is probable that the two lodges and the Grand Army will take part in the services.

Harry Burgess.

Harry Burgess was born December 4, 1878. For a number of years he lived at Waverly, O., from which place he removed to Newark about eleven years ago. Here, as at Waverly, he made many warm friends.

For there was a personality about Harry Burgess which caused even the most casual acquaintance to like him. He early found employment with Mr. George Bowers. Later when the business of Mr. Bowers was acquired by the firm of Bazler & Bradley he remained with this firm. He entered the employ of the Ohio Electric company about three years ago. To all who employed him he proved a faithful and competent employee. He had the respect of all who knew him. His was a personality which easily won for him friends. Quiet and unassuming his was a peculiar hold upon one.

In 1902 he was united in the bonds of holy matrimony to Miss Alpha Bitz of Waverly, to whom he proved a faithful and affectionate husband. He was a member of various secret societies and was highly esteemed by the members.

During the past year he was on the North Fourth street car line. His winning personality won him friends here as elsewhere in those with whom he came into contact. He is survived by his widow, Mrs. Alpha Burgess, two brothers and a number of other relatives and a host of friends. He was aged 35 years and 4 months.

Card of Thanks.

I take this means of thanking those who so kindly assisted during the sickness and death of my dear husband. Especially do I thank the members of the O. E. R. R., Eagles, Moose, physicians and nurses at the Sanitarium, Rev. Mr. Schmitt and wife, T. A. Bazler, and all those who sent floral offerings.—Mrs. Harry Burgess.

In Memory of Robert C. Lampton, Who Died March 13, 1914.

Dearest Grandpa, you have left us for a better home above. You have gone to live with Jesus. He has taken one we love.

Grandpa darling, how we miss you. You have left a vacant chair. You have gone to join the Angels. And we hope to meet you there.

Oh, we miss you dearest Grandpa. Your face we'll see no more; Till that bright and blessed morn We meet on yonder shore. Written by his granddaughter, Lela M. Ankrum, 4-11-14

A delightful occasion in the family of Mr. and Mrs. George W. Patterson, West Fifth avenue, Columbus, was their celebration yesterday of the fifty-fifth anniversary of the marriage. With them were many relatives and friends and throughout the house were beautiful floral decorations. Mr. and Mrs. Patterson were the recipients of many felicitations and remembrances of flowers. They entertained 30 guests at dinner and there were about 100 callers at their reception in the afternoon and evening.

Mr. and Mrs. Patterson (Esther M. Glick) lived south of Granville at the time of their marriage. In 1876 they moved to Columbus and have made that city their home since then. They have six children, all of whom were with them yesterday.

Friends of Mr. and Mrs. J. E. Slates of 184 South Fourth street surprised them last Thursday evening on the occasion of their forty-second wedding anniversary at their home, nearly fifty guests gathering to spend the evening. Mr. and Mrs. Slates received a number of beautiful gifts. The surprise was complete, but despite this fact, the hours were pleasantly spent. Light refreshments were served.

The following were present: Mr. and Mrs. J. W. Shannon, Miss Virtue Shannon, Olo and Kenneth Shannon, Mrs. Lee Shannon, Dr. and Mrs. J. V. Scott, Mr. and Mrs. H. C. Weaver, Clifton Hawkins, Mr. and Mrs. Paul Bieberbach, William Bieberbach, W. M. Walters, Mrs. Chas. Wintermute, Mrs. S. E. Conley, Mrs. M. R. White, Mrs. Elizabeth Sanders, Mrs. G. E. Frost, Mrs. S. W. Fitch, Leslie, James and Madison Fitch, Helen Fitch, Mrs. F. L. Miller, Scott and Clarence Miller, Ruth and Margaret Miller, Mrs. Anna Gardner, Miss Nina and Bernice Harter, Miss Hazel Slates, Miss Mamie Chism, Miss Nellie Sites, Miss Maude Tharpe, Miss Violet Tharpe, Mrs. Hoffman, Miss Laura Hoffman, Miss Freda Pickett and Miss Jennie Martin, all of this city, Mrs. Samuel Hummel and Misses Evelyn and Edna Hummel and Miss Jennie Burrell of Columbus.

Mrs. Hayes Hankinson entertained the Unity Sewing club at her home last Wednesday afternoon. After spending the hours in sewing and conversation, a three course lunch was served to the following members: Mrs. Arthur Griffith, Mrs. Frank Brooks, Mrs. Titus Hankinson, Mrs. John Brooks, Mrs. C. E. Jamison, Mrs. William Owens, Jr., Mrs. C. J. Pence, Mrs. Howard Butcher, Mrs. Ed Jones, Mrs. Chas. Richards and Mrs. E. L. Jones. The following were the guests: Mrs. Austin Osburn, Mrs. Albert Hankinson, Mrs. William Hankinson, Mrs. Fannie Evans, and Mrs. George Richards. The next meeting will be held at the home of Mrs. C. E. Jamison on April 18.

The members of the A. F. club met at the home of Pearl Atwood in Cambria street, Friday evening. The evening was spent in games and music, and at a late hour dainty refreshments were served to the following guests: Misses Helen Lytle, Elizabeth Carter, Beatrice Schreffler, Madura Howard, Margaret Wolever, Lavern Heaten, Mildred Heaten, Laura Gibbs, Helen Cramer, the hostess and two guests, Mabel Harter and Audrey Walker.

There will be a called meeting of the City Federation of Women's Clubs in Taylor Hall Wednesday, April 12 at 2:30 o'clock. Business of importance. A Chautauqua representative will be present to arrange plans.

The faculty of Denison Conservatory of Music announces a violin and piano recital by Miss Gayle Ingraham Smith and Miss Fannie Judson Farrar at Recital hall, at 8 p. m. Wednesday, April 12th.

Mrs. Harry Woodward was hostess to the Mystic Club Friday afternoon at her home in Tuscarawas street. The afternoon was spent in needle work and social conversation and a contest held in which the favors were given Mrs. Carl Heine and Mrs. Earl Woodward.

At 4 o'clock a dainty luncheon was served the members and two guests, Mrs. Cook and Mrs. Woodward.

The next meeting will be with Mrs. Wm. Ryan in Oakwood avenue.

Spricklin-Evans.

Mr. Earl Raymond Spricklin, dry cleaner at Sachs and Ross, and Miss Zonie Pearl Evans were married Monday evening at 7:30. They were accompanied by Miss Katherine Brunelle and Mr. Lee B. Dorn. Rev. A. B. Cox performed the ring ceremony, and the couple will make their home in Newark.

At the annual meeting of the Licking County club for the election of members of the board of governors, which was held last night at the club house, Messrs. A. H. Heisey, J. J. Carroll and A. A. Stasel were re-elected. Their terms expired and their names were placed in nomination for re-election and their choice was unanimous. There are nine members of the board.

The club house will be remodeled and decorated before the opening which is expected to be about May 1. The golf links are being seeded and cut and put in shape for the coming season.

Floyd Chadwick, the new chef, and wife, arrived in Newark yesterday from Wisconsin and have taken charge of the club house. Notice will be given in due time as to the opening of the club, officers of the club said today. This coming season, it is predicted, will be the best ever enjoyed by the members of the club.

The engagement of Miss Leslie Baker, daughter of Mrs. J. Sidney Baker of 39 West Fourth street, to Mr. James McClure of Barborton, O., was announced at a bridge party given by Miss Baker Thursday afternoon. The guests numbered 15.

A Single Application. Banishes Every Hair.

(The Modern Beauty.)

Here is how any woman can easily and quickly remove objectionable, hairy growths without possible injury to the skin: Make a paste with some powdered delatone and water, apply to hairy surface and after 2 or 3 minutes rub off, wash the skin and the hairs are gone. This is a painless, inexpensive method and, excepting where the growth is unusually thick, a single application is enough. You should, however, be careful to get genuine delatone.—Adv.

Light refreshments were served.—Dunkirk (N. Y.) Standard.

Mr. McClure is the son of Dr. and Mrs. S. D. McClure of West Main street. He was graduated from the Newark High school in 1907 and from O. S. U. in 1911, and is now connected with the Ohio Insulator Company, Barborton, Ohio. He is one of Newark's promising young men.

Simpson—Willard.

The marriage of Mr. John D. Simpson and Miss Florence Marie Willard, both living near Toboso, was solemnized at 10:30 o'clock this morning by Rev. W. D. Ward, at the Ward home, 23 West Locust street. The couple was attended by Miss Neely Willard, sister of the bride and Mr. and Mrs. Arthur Shepard. Mrs. Shepard is the sister of the bridegroom. Mr. and Mrs. Simpson will make their home on the Heisey farm, in Hopewell township.

The Courts

Inspecting Ditch.

Commissioners Jos. H. Orr, Frank R. Dumm and Orville Kiger are going over the Rice ditch in Liberty township today, for the purpose of adjusting the assessments as to benefits which will be derived, and the hearing will take place at the office of the board on Saturday, April 15. The ditch is being constructed of tile, is about two miles long and the engineer's estimate is nearly \$7,000.

John D. Simpson, a farmer, and Miss Florence Marie Willard, both of Toboso, O. Rev. W. D. Ward named to officiate.

In Common Pleas.

In common pleas court on Tuesday Judge Blair heard the evidence upon the motion for the appointment of a receiver in the case of the Kreigher Manufacturing Co. vs. Max M. Sachs, et al.

After hearing the evidence and the arguments of counsel the court took the case under advisement and will announce a decision later.

Granted Divorce.

In the case of Sylvester Cummins vs. Ella J. Cummins, the plaintiff has been granted a divorce to probate court on the grounds of wilful absence of defendant. The plaintiff is to pay the costs in the case and each is barred from dower in each other's property.

Divorce Petition.

Vera Black has filed a petition in common pleas court against Edward W. Black. The parties were married October 3, 1906, and are the parents of two children aged eight and six years. Defendant is charged with remaining away from home two or three nights a week and with committing adultery with numerous women and with being an habitual drunkard. The plaintiff asks for alimony and all proper relief.

New Register Installed.

Acting upon the advice of Attorney General Turner a new register for limited practitioners and graduated nurses has been installed in the probate court. All such members of the profession must register if they wish to keep within the bounds of the law. A number of practitioners have registered but no nurses up to date.

STEAMER CAPTAIN'S LICENSE REVOKED.

Gallipolis, O., April 11.—Federal steamboat inspectors of this district today revoked the license of Charles Cox, of Cincinnati, whom it is alleged, they caught on the Ohio river towboat Enterprise near this city with the safety valve weighted and an unlawful amount of steam in the boilers.

FACE PEELING HABIT BECOMING FASHIONABLE.

Women of fashion and refinement in this country as in Europe seem to have been acquiring the mercurized wax habit, depending less and less upon cosmetics for their complexion difficulties. It does seem a lot sadder to jump off the worn-out skin when it loses its youthful color and appearance—now that this can be done so easily, safely, pleasantly and economically. There's no trouble getting mercurized wax at any drug store (an ounce will do), since its virtues have become generally known here, and there's no trouble using it—just as you use cold cream, applying at night, washing it off next morning. The wax takes off the old skin, in tiny flakes, a little each day. The new under-skin which gradually appears, is velvety soft and beautifully white, radiant with glowing life. Any surface trouble like pimples, red or yellow patches, freckles, etc., vanishes of course, with the discarded cuticle.

It has also become the fashion, when wrinkles begin to appear, to bathe the face once a day for a while in a harmless solution made by dissolving an ounce of powdered axolite in a half pint of witch hazel. This is remarkably effective in erasing the hateful

MOLDERS STRIKE AT SPRINGFIELD

Springfield, O., April 11.—Demanding a minimum wage of \$3.50 a day for ten hours, molders at seven plants walked out today. Just how many will be affected can not be stated until reports are received at the labor temple. There are 300 members in the union but several local plants are not affected because the men are on piece work.

Wall Street.
[ASSOCIATED PRESS TELEGRAM]
New York, April 11.—The only exception to the general dullness of today's opening was New Haven, which declined a point. Most other issues active and otherwise were fractionally higher, while Crude Steel led the war group with an advance of 1/4. United States Steel opened with a sale of 1500 shares at a slight gain over yesterday's close. Coppers and metal issues as a whole seemed disposed to make favorable response to remarkable trade conditions, but marines were relatively quiet. Trading became light and tentative after the initial offerings, prices showing more irregularity. New Haven continued to decline falling 2 1/2 to 60% on active dealings and unsettled prices elsewhere. The stocks heaviness was accompanied by rumors of disappointing March earnings. There were recessions of 1 to 3 points in Marines, Goodrich, Petroleum and Industrial Alcohol common and preferred broke 67 to 60. These were partly counter balanced by the strength of Crude Steel, Cuban-American sugar and U. S. Steel, the latter making a new record at 75 1/2. Trading dwindled later, the market coming to a standstill at noon. Bonds were irregular, Canadian staples steady with further pressure against Anglo-French 5's.

Prices yielded again in the final hour the decline being simultaneous with disturbing news from Washington. The closing was irregular.

Reports bearing upon the international situation exercised their usual adverse influence over today's dull and circumscribed market.

Mr. Fitzsimmons is backing the Fitzsimmons team in this league this season. Club managers of the league will meet in Columbus Thursday to discuss plans and arrange a schedule. Eddie Schimpf will be manager of the team. Mr. Fitzsimmons' lease runs to the end of the year which will include the football season.

ROTARY CLUB ENDORSES PLAN FOR NEW C. OF C.

At the noon-day luncheon of the Rotary club, the members unanimously voted to adopt the report of a committee endorsing the plans for the new Chamber of Commerce and to support the movement actively both as an organization and as individuals. The committee was appointed several days ago to investigate the plans and make a recommendation to the club. This committee's report not only recommended the endorsement of the plans as already outlined but praised the work already done and the plans for the future. At today's luncheon, twenty members were present.

American Letters Opened In Canada, Department Hears

Washington, April 11.—Several protests have been made to the department against the postal authorities at Ottawa and the Canadian border that American letters have been opened in the United States and passed upon by a censor. Granville

[Special to The Advocate]

Granville, April 11.—The last program of the club year was presented by the Travelers on Monday afternoon, April 10, when they bade a reluctant farewell to Canada. The interest in these Canadian topics was admirably maintained and this closing meeting may claim the distinction of being also one of the most interesting in the year's calendar.

The president, Mrs. M. E. Stickney, who was absent last week was again in the chair and called upon Mrs. E. E. Hopkins for "Current Events," which proved to be not only of timely interest but also "something different." This was in the nature of a "quiz" on the war situation, which brought out the fact that a few of the members are proficient in modern geography as well as in the modern methods of warfare.

The paper on "Border Problems," by Mrs. F. L. Ferguson was one of the most interesting and enlightening yet presented. Taking up the disputes between Great Britain and the United States over boundary lines and other matters, she showed how easy it would have been for the two nations to have gone to war on more than one occasion, and how amicably everything has been settled by arbitration. In the light of such a review, the present relations of these two powerful nations, with never a gun nor fortification on all the 3,000 miles of border, speak eloquently for the sanity and the intelligence of their leaders. Mrs. Ferguson spoke of the averting of war with England in 1846 as one of the most gratifying acts of statesmanship which distinguished the Polk administration, chiefly remembering for the war with Mexico. Mrs. Ferguson has a pleasing personality and a voice of good carrying power, and her paper was greatly enjoyed.

The president then presented the next speaker as a woman who had been identified with the club for 16 of its 20 years of existence and one whose birthday, April 10, was observed by presenting the topic, "From Edmonton to the Sea"—Mrs. J. C. Malone. Her appearance was greeted with a rising salute which she gracefully acknowledged. She commenced the president's statement as to her 1846 she arrived in America, that she was intensely thankful that the stork had dropped her in this country in preference to any other in the whole world—and she had made a careful study of most of them along with the Travelers' club. She then proceeded to act as guide over the wonderful journey she had taken through the great northwest, over the Canadian Pacific railroad—a journey so packed with marvels as to defy reproduction in a newspaper report. She pointed out M. Robinson, which towers 13,700 feet above sea level, and passed pictures illustrating the beauties of the region. She spoke of Prince Rupert, which the British are to use as the gateway to Japan, and she spoke of Alaska and how the fisheries alone have returned this country over thirty times the value of its purchase price. She was warmly applauded at the conclusion of her talk.

At the business meeting the date for the banquet was set for Monday evening, April 24. A silver offering was taken for the Baby Hospital Fund, which will be completed at the banquet.

April 21 is the date set for the first base ball game of the "Big Red" nine on the home field, when they are to meet Western Reserve. It is said by those who ought to know, that prospects are good for a successful season. Yoakum is captain, and Ullman is manager, and practice on Beaver Field has begun with a good deal of enthusiasm.

The "Comedy of Errors" is announced as the commencement play of the Masquers this spring, and parts have been judiciously assigned. The play will probably be held on the Plaza in a setting as nearly as possible, true to the original Elizabethan stage, and a real treat is promised.

The following is the cast as selected by the committee: Duke.....W. S. Zwyer Aegeon.....Prof. E. P. Johnston Antipholus of Ephesus.....B. C. Morris Antipholus of Syracuse.....E. W. Putnam Dromio of Ephesus.....J. K. Mears Dromio of Syracuse.....G. C. Sayre Angelo.....R. L. Wilkinson Merchant.....D. B. Atwell Pinch, magician.....Ebbie Thresher Aemilia.....Lily B. Sefton Adriana.....Gertrude Gibbons Luciana.....Helen Card Phrynia.....Louise Cobb Cook, Attendants, Officers, etc., to be chosen.

Mrs. R. S. Colwell we to Columbus yesterday where she will be the guest of her daughter, Miss Emily Colwell, until Wednesday morning.

Mrs. Colwell will attend the Kreisler concert in Memorial Hall this evening.

Mrs. C. E. Stanton is spending the week in Pittsburgh as guests of her parents, Dr. and Mrs. Bonsall.

Mrs. Fred Rogers, who has been a guest at the home of Rev. Daniel Rogers for several days, has returned to her home in Columbus.

Miss Blanche La Ferre spent the day with Columbus friends, and will attend the Kreisler concert in Memorial Hall this evening.

On Wednesday evening in Recital Hall at 8 o'clock, Miss Gayle Ingraham Smith and Miss Fannie Judson, Ferrar of the Conservatory faculty, will give a sonata recital to which the public is cordially invited.

Miss Carrie Howland is meeting her classes in china painting at her studio in Stone Hall basement. Enter by the south door.

If the weather continues fair for a few days, the detour from West Broadway through Shepards Park to West Maple street will be put into something like condition for temporary use. No ordinary road has been able to hold up under the weather conditions of the past winter and patience must be the watchword for a time.

President C. W. Chamberlain, who went to New York last Friday

to attend the New York-Denison banquet on Saturday, arrived home this morning where he remained but a short time before starting for Columbus for an important meeting. He promises an account of the meeting when he has more leisure.

Mr. Charles C. Sieret, who spent the past fortnight in Washington, D. C., as the guest of his uncle, has returned to Denison.

Joseph B. Little, aged 2 1-2 years, son of Mr. and Mrs. Charles Little, whose home is near High Water, died of scarlet fever at the family residence on Sunday morning, April 9 at 2:30 o'clock and was buried at 4:30 p. m. of the same day. He was ill only a few days, having been taken with what was thought to be common measles, but was afterward diagnosed as the dread malady, scarlet fever. The family all were taken down and the house was quarantined. So far the others are doing well, though overwhelmed with grief. The sympathies of the community go out to them in their bereavement. Little Joseph was the grandson and namesake of Marshal Joe Shipley of Granville.

At a final meeting between the recently elected township and ward assessors and Auditor J. W. Hursey, held late yesterday afternoon, an amicable arrangement was made and the assessors agreed to begin their duties at a salary of \$3.50 per day which was the rate agreed upon by the county commissioners. The law states that their compensation shall be fixed by the board, the minimum to be \$3 per day and the maximum \$6.00.

The salary had been fixed at \$3.00 per day and when the assessors reported to Auditor Hursey yesterday morning for supplies and instructions and were informed that their salary was to be they refused to serve at that figure and appointed a committee of three to confer with the commissioners. After much discussion the commissioners agreed on \$3.50 per day and informed the committee that the salary would have to remain at that figure or new assessors would be appointed by the auditor.

All of the assessors with the exception of two agreed to serve, the two being H. E. Harris of Liberty township and W. S. Romaine of Monroe. They tendered their resignations to the county auditor and new assessors will be appointed to succeed them. Assessor Dunn, of the first ward in this city had previously resigned and his place will be filled by John Crisswell, appointed to fill the vacancy. The officials are now out on their rounds, so be prepared to list your property when they call upon you.

NIGHT ATTACK; BRITISH USE OF HAND GRENADES

(ASSOCIATED PRESS TELEGRAM)
Berlin, April 11, via London, 2:54 p. m.—British troops made a strong hand-grenade attack last night after intensified artillery preparation against the German positions south of St. Eloi, near Ypres, but the attack was repulsed and the position is firmly held by the Germans, according to the official statement issued at army headquarters today.

HERO'S MOTHER WILL GET PART OF MONEY, REST TO RED CROSS.

(ASSOCIATED PRESS TELEGRAM)
Pittsburgh, April 11.—Instead of rearing a stately monument over the grave of Peter Vallone, who was credited for a time with saving the lives of a number of girls in a factory fire here last October, the commission in charge of the money raised for that purpose today decided to send a part of it to his aged mother in Italy and give the remainder to the Italian Red Cross. After the fire it was stated that Vallone had been suffocated before the girls were rescued.

---TOMORROW OUR ANNUAL--- SPRING OPENING SALE

Sets Another New Selling Record In Brand New Spring Merchandise

Vast quantities of new spring merchandise that should have been here weeks ago, has just arrived within the last few days. The greater portion of this merchandise we had expected to have been here for the beginning of our Annual Spring Opening Sale.
